

## LONG STOCK COAT

### Puppy Dog

1: **Hundmeister I'm In Disguise**

PEPE VON DER ZENTEICHE (Imp Ger to Aus)

Very Promising

CH HUNDMEISTER ALL ABOUT ME

9 months, male with very good proportions, very good head and expression, masculine with nice dark eye, right ear should be firmer, very good strength in bones, long upper arm but steep, very good back, very good underline, good hind angulation, croup is short and steep, stands straight in front, straight behind with hocks a little large, sound behind, a little narrow in front, when walking steps strongly, the hindquarter is very good, back is loose due to being slightly overweight, front reach is good, when gaiking maintains a good over line, looseness in the back is evident but shows a good powerful far reaching side gait.

### Intermediate Dog

1: **Brojan Ultimate Storm**

CH ZETLAND MANHATTON

Very Good

BROJAN KENTUCKY ROSE

2 years 1 month, dog of stretched proportions, very good medium size and strength with an expressive head, very good length and angle of upper arm, very good bone, very good feet, very good back and a little stretched, short and steep croup, normal hindquarters, stands straight in front, short strong hocks, sound behind and front with a little looseness in the left elbow, when walking steps strongly and soundly from the hindquarter and transmits good power through a firm back with normal wither and a good forward reach, presenting a very good sequence of steps and powerful side gait, a particularly firm dog throughout.

2: **Westfield Vendetta**

FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS)

Very Good

CH OAKWAY IRRESISTABLE

2 years 6 months, male with very good masculine head and expression, would like a slightly darker eye, of correct size and very good proportions, very good strength of bone, good feet upper arm short and steep, very good underline and average over line, very good croup which is long and well angled, stands very straight in front, very good strength of skull, relaxed expressive head, beautiful short strong hocks which are straight, sound behind a little loose coming, front reach when walking, presents pleasing over line, very good drive in hindquarters with firm back and high wither. When gaiking maintains good over line but front reach should be freer but presents himself very well at all speeds.

### Open Dog

1: **Reichund ACDC**

CH REICHUND MEET YA MAKER

Excellent

REICHUND ORR-SOME

6 years 5 months, male, very good size and strength, very good pigment, super proportions, excellent angle of the upper arm, very good bones, super underline, very good back, croup is a little steep and the tail a little high, beautiful hindquarters, presents a very good picture, masculine expressive head, stands straight in front, hocks are large and not straight, well muscled, sound in front but a little close, when walking steps strongly behind, transmits good power through a firm back to a high wither, particularly noteworthy is his forehand assembly and ability to develop a good forward reach, when gaiking his back arches a little bit however when long gaiking the back is good, wither is high and demonstrates an excellent and fluent side gait.

### Junior Bitch

1: **Delgarda Fancy Pants**

ZAMB VOM SCHWARZAUGEN (IMP MACEDONIA)

Very Good Select

ASTASIA ROMA (IMP AUS)

1 year 2 months, large female, of good strength, very good condition, feminine expression, a little tense in presentation, beautiful angle of the upper arm and beautiful length, very good back and loin, front legs could be a little longer, super hindquarters not over-angulated in any way, excellent croup, very good straight hocks, stands straight, feet could be a little bit tighter, stands not true behind, a

little loose behind, when walking presents an exemplary over line, beautiful long reach of neck, high wither, firm back, a little loose in the hindquarter when walking but steps freely, when gaiting perhaps should show a little more co-ordination which is only seen in glimpses however does maintain a very beautiful over line and very long stepping long striding side gait.

- 2: **Reichund Ohso Devius** Very Good  
CH ACARYA QUITE A FAKIR GLENNKA YANA  
1 year 8 months, sable female of very good pigment, above medium size but strong female, beautiful feminine expression, very good angle and length of the upper arm, front leg could be a little longer, very strong bone, very good underline, croup is of very good length but could be partially longer, stands very straight in front, hocks are short and strong, a little heavy in condition, sound behind and in front, presents a pleasing over line when walking with an elegant presentation, very good power in the hindquarter, transmitted through a back that should be firm, very good wither, excellent sequence of steps and rhythm and when gaiting excellent fore reach and excellent hind thrust, maintaining her over line at all speeds.
- 3: **Heathcote Katie Perry** Very Good  
USTINOV VOM ROMERLAND (IMP GER TO AUS) HEATHCOTE FAMOUS STAR  
1 year 4 months, large female, sable, top size, super overall proportions, showing proper development for her age, upper arm of good length but a little steep, very good length of foreleg, very good bone, feminine relaxed expression where the ears need to be a little better set, beautiful over line and very good loin, super hindquarter, croup well moulded but short and steep, ears when looking from the front should be stronger, stands straight in front with good feet, large hocks, which could be straighter, sound behind, elbows are out when coming, when walking hind step should be longer, the back is firm however the wither is flat and reach should be freer, when gaiting general lack of co-ordination in sequence of steps but moves strong and purposely, would like to see more relaxed and show a little more length of stride.
- 4: **Westfield Your Irresistable** Very Good  
FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS) CH WESTFIELD SITA  
1 year 3 months, feminine type, of stretched proportions, medium size, feminine expression, medium strength of bones, very good angle and length of upper arm, back is long, croup is a little short and steep, super hindquarters, very short straight hocks, stands straight in front, would like to see the ears a little better set on the head, sound behind and in front, particularly dry and firm, a female with good proportions, firm back, high wither and good forward reach, when gaiting she shows an excellent side gait, the back again is firm and dry producing an effortless fluent side gait.

## STOCK COAT

### Baby Puppy Dog

- 1: **Pirol von Gavarol** Very Promising  
MAC VON DER NORISWAND (IMP GER) ZELDA VON GAVAROL  
Nearly six month old male, masculine head, bone is adequate, has good feet and good back, croup is short and steep, very good hindquarter, relaxed expression, stands straight front, would like the eye a little darker, large hocks and slightly not straight, sound behind and in front, when walking presents a pleasing over line, steps strongly in the hindquarter however kicks a little high when steps in the rear, firm and dry over line with a very good free front reach.
- 2: **Heathcote Lightning Jack** Very Promising  
ENG & NZ CH PHILIPP AUS DER NEUENHAUFFSTRASSE (Imp Ger) HEATHCOTE FAMOUS STAR  
3 month sable, of very good proportions, very good anatomically, strong expressive head, the ears are a little bit close but due to a development issue not a fault, pasterns could be stronger, very good back and very good hindquarter, croup is a little flat, very good expression, nice dark eye, strong bones, stands straight in front, hocks are large, sound behind and in front, super co-ordinated side gait with good hind thrust and free front reach, a little short in the body due to age however for his age is showing remarkably good coordination and movement.

## Puppy Dog

- 1: **Oakway Nailed It** Very Promising  
BROJAN SHOCK WAVE OAKWAY XPERT-TEASE  
11 month male, large dog of medium strength, coat is a little close, shows good pigmentation, very good overall proportions, head is masculine, ears are particularly well set on the head, good feet, strong bones, fore chest could be developed a little better, upper arm is short and steep, very good back and very good underline, very good length of loin, very good hindquarter with good breadth of thigh, croup is of good length and well moulded, large hocks but are straight, sound behind and in front, when walking he steps strongly in the hindquarter and transmits good power through a firm back and high wither, steps cleanly in front, when gaiting shows a good length of stride maintaining a very pleasing over line.
  
- 2: **Hundmeister Iron Man** Very Promising  
PEPE VON DER ZENTEICHE (IMP GER TO AUS) CH HUNDMEISTER ALL ABOUT ME  
9 months, above medium size, medium strong male generally lacking in condition, very good length of foreleg but would like the bones a little stronger, medium strong head and good expression, has a very good back, super underline, the croup is a little short and steep, the second thigh in the hindquarter should be longer, stands straight front and his feet are good, has good straight short hocks, sound behind and in front, when walking steps strongly in the hindquarter, firm back, high wither and steps cleanly in front when walking, when gaiting would like more power generally overall, however shows a pleasing side gait and over line.
  
- 3: **Stykadhen Real Deal** Promising  
CH REIDHAUS KLIFF STYKAHEN GLORIOUS N GOLD  
6 months, male, just medium size and strength, stretched proportions, overall condition not good, out of coat, good bones, good front assembly, would like the eyes a little darker, dog has a very alert keen expression, ears are slightly large, large hocks but they are straight, loose behind, straight in front, shows a general looseness when walking however a very good coordinated side gait with a good wither and a good back and at times shows a good far reaching side gait.

## Junior Dog

- 1: **Boldova of Taimana** Very Good Select  
YESTER VOM FEUERMEIDER (IMP GER TO AUS) AIMSWAY LASS VEGAS (IMP AUS)  
22 months, large male, very good strength, very good pigment, masculine expressive head with very dark eye and dark muzzle, strong bone, very good length of the foreleg, upper arm slightly short and steep, very good back and over line, well moulded croup, is a little exaggerated in the hindquarter, very good breadth of thigh, stands straight in front, hocks are short and strong, a little wide going, a little erratic in movement, when walking a little looseness in the hocks and the back is not firm however shows good overall deportment with a high wither and very good free reach, when gaiting a little erratic however in glimpses shows a very good side gait with effective reach, hocks to be stronger.
  
- 2: **Westfield Xiwa** Very Good Select  
VEGAS VON DONGMIRAN (IMP NETH TO AUS) OAKWAY IRRESISTABLE  
15 months, above medium size strong male with beautiful head and expression, beautiful overall proportions, very good strong bones, very strong feet, upper arm a little short but well angled, would like the neck to be a little longer, beautiful back line, beautiful underline, a little length to the loin has a good croup which is of good length, very good hindquarters, hocks are large but straight, stands straight in front, sound but a little wide, straight in front, when walking he is very sound, firm and dry giving a very good overall picture, shows very far out reaching side gait however the high tail detracts a little bit however he does present a very good co-ordinated side gait.
  
- 3: **Cantara Quikstitch** Very Good  
CH USTINOV VOM ROMERLAND (IMP GER TO AUS) BRADWINS VENUS MOONSHINE  
14 months, large male with very good head and expression, weak in the right ear, very good overall proportions, very good strength of bones, upper arm is short and steep, pasterns should be better, very good wither, very good back, very good underline, very good loin, super hindquarter, croup is a little short and steep, large hocks but are straight, sound behind and coming, dog of full working

character and this shows when he walks, spirited, high wither, firm back, tended to raise his tail at times which spoiled the overall picture, high spirited when gaiting and stepping strong in the hindquarter, maintained good overall firmness where the front reach could be better.

- 4: **Unfehlbar Yago** Very Good  
CH BRADWINS LORD JESTER AMBERG YESSICA  
15 months old male, medium size, medium strength, masculine head and expression, would like a little bit stronger in the foreface, medium strong bones, very good feet, very good length and angle of the upper arm, very good wither, very good back, very good underline, the croup is short and steep, the angulation is good in the hindquarter, stands straight in front, hocks are short and strong, loose in the right hock, generally loose elbows, a good walking dog, steps well in the hindquarter, firm back, high wither, normal front reach, when gaiting would like more power however the rhythm of steps are good, maintains a good outline.
- 5: **Siegerheims Quincy Jones (Imp Aust)** Very Good  
HATTO VON HUHNEGRAB (IMP GER) ZANDRAC MYSTERIOUS WAYS  
14 months, medium size male, medium strength, excellent overall proportions, very good length and angle of the upper arm, would like a little more length in the foreleg, very good underline and very good over line, very good croup which is well moulded and of good length, second thigh could be a little longer in the hindquarter, hocks are large but are straight, stands straight in front with good chest development, steps correct behind and in front, a dry and firm male, presents a nice picture when walking, steps firm both in front and behind, when gaiting shows a good side gait through a firm back with a high wither and a good front reach.
- 6: **Westfield Yahoo** Very Good  
FAKIR VOM HENRICHPLATZ (IMP GER TO AUS) CH WESTFIELD SITA  
15 months, above medium size, expressive male of good pigment, stretched proportions, bone is medium strength, very good length and angle of the upper arm, very good wither, back is long and straight, underline is long and straight, little excess length in the loin, good hindquarter, croup is a little short and steep, attentive relaxed expression, stands straight in front, straight hocks from behind, sound behind a little close, sound in front a little close, walks powerfully and strongly stepping strong in the hindquarter however steps in hindquarter should be longer, has a normal wither and the back shows a little weakness, when walks show great enthusiasm with plenty of power and drive, good free front reach with very good side gait.
- 7: **Sonnenschein Eye of Vegas** Very Good  
VEGAS VON DONGMIRAN (IMP NETH TO AUS) ACARYA PANDEMONIUM  
20 months, above medium size, medium strong male, stretched proportions, very masculine head with good mask good strong feet good strong bones, upper arm little short and steep, very good over and underline, very good hindquarter where the croup is a little short and steep, nice short hocks and they are straight, beautiful dark eye and stands straight in front, sound behind and straight in front, very firm and dry dog, when walking steps adequately in the hindquarter, the wither should be a little higher and the front reach should be freer, good coordinated side gait maintaining a pleasing over line and have a freer front reach.

## Intermediate Dog

- 1: **Aktahund Take Manhattan** Excellent  
CH ZETLAND MANHATTON GRAF EDELMANN TAKIN ALL  
2 years 6 months, above medium size, strong male, good pigment, a little out of condition today, overall stretched proportions, very good feet, very good bones, very good length and angle of the upper arm, very good depth of chest and very good back, underline looks a little soft, very good hindquarter, very well moulded croup which is a little short, relaxed expressive and dark eye, dark mask, ears a little large, stands straight in front, short strong hocks and they are straight, toes in going away, loose in elbows going away, super dog walking, very firm and dry, beautiful over line, steps well in the hindquarter with free reach, when gaiting shows highly co-ordinated movement with excellent over line and firmness.
- 2: **Rahkantra Indian-Brave** Excellent  
RAHKANTRA HIGH AN MIGHTY RAHKANTRA GINA LOLOBRIGIDA  
2 years 11 months, large male with very good pigment, super head and expression, dark eye, dark

mask, very good length of foreleg, very good feet, very good length of upper arm which is slightly steep, very good depth of chest, very good underline, beautiful over line, very well moulded croup, very good hindquarter, stands straight in front with good bone, hocks are large but straight, sound behind, a little wide, sound in front, when walking he maintains a very good overall body shape, strong and firm behind, good over line with very good wither, good front reach, when gaiting shows a highly co-ordinated effective side gait with good power in the hindquarter and free front reach.

- 3: **Elko vom Volkerson** Very Good  
YASSKO OF GREAT SUNRISE KENNELS (IMP TAIWAN) ZOE VOM VOLKERSON

2 years 9 months, medium strength male, head and foreface should be stronger, medium strength bones, good length of foreleg with good wither and good back, very good hindquarter, croup is a little steep, large hocks but they are straight, right hock loose, left elbow loose, when walking the back raises and the wither flattens, shows good power in the hindquarter, generally lacking condition in the back which gives him an unclean over line, normal front reach, when gaiting he maintains a better over line, spirited with good power both front and behind.

## New Zealand Bred Dog

- 1: **Ch Acarya Quite a Fakir** Very Good  
FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS) CH AIMSWAY QUICK TRICKS (IMP AUS)

3 years 8 months, large male, very large male, very good pigment, stretched proportions, very good bones and very good feet, super length and angle of upper arm, needs a little more development in chest, a little wavy coat detracts a bit, very good hindquarter, croup is of good length but a little steep, stands straight in front, very good expression, hocks are large and are not straight, close away, straight in front, when walking steps strong behind, the back is not clean and he lift his feet up in front when walking, when gaiting he lowers his centre of gravity well and drives excellently in the hindquarter and shows a better front reach.

- 2: **Reidhaus Kliff** Very Good  
YAHOO VON FIDELIUS (IMP GER) REIDHAUS DAJA VU

4 years 4 months, above medium size and medium strength, stretched proportions, pigment could be a bit better however has a dark eye and dark mask, bones are medium strong, feet should be a little stronger, very good back and underline, super hindquarter, hocks are large and straight, stands a little wide in front, sound behind, straight in front, when walking shows plenty of power and attitude, the back is straight and the wither is a little flat, good reach, when gaiting shows a super side gait with great hind thrust and free front reach maintaining a very pleasant over line throughout.

- 3: **Hundmeister Im Pepe's Son** Very Promising  
PEPE VON DER ZENTEICHE (IMP GER TO AUS) CH HUNDMEISTER ALL ABOUT ME

9 months, large male, relaxed expression, very good length of foreleg and strong bones, upper arm is long and of good angle, good back, very good underline, very good hindquarter but more muscle needed in the thigh, croup is a little short and steep, stands straight in front with nice dark eye, short strong hocks, sound behind, straight in front, when walking should be more powerful in the hindquarter and the step is short, high wither, firm back, reaches well in front when gaiting, shows general lack of co-ordination and tends to shorten up a little bit in movement.

## Open Dog

- 1: **Ch Zetland Mad Max** Excellent  
CH BRADWINS LORD JESTER CH ZETLAND HELLFIRE

4 years 9 months, large male, very good masculinity, super head and expression, very good length of foreleg, very good front angulation, super proportions, very pleasing one piece over line, croup is short, very good hind angulation, tail set a little high, stands straight in front, large hocks which are not straight, short croup, wide behind, left elbow is loose, when walking he steps powerfully behind, would prefer hocks to be a little cleaner, transmits very good energy from a firm back and high wither, clean front reach when gaiting, very good coordinated side gait with very good hind thrust and very effective front reach maintaining a very good over line at all speeds.

2: **Toatahi Devils Gait**

Excellent

ENG & NZ CH PHILIPP AUS DER NEUENHAUFFSTRASSE (IMP GER) ABYGAL VON ADELFRIED

4 years 2 months, a very large male with very good head and expression, masculine head with dark eyes, very strong muzzle and under jaw, a little lippy-ness, very good ears where the right ear is a little tulip shaped, straight in front, hocks are large and are not straight, unsound behind and in front, when walking he presents a very good overall picture, high wither, firm back, slight weakness in hocks when thrusting, when gaiting shows a nice side gait with a high wither and firm back, free front reach but again some looseness in the hocks.

3: **Acarya Quortda Fakir**

Excellent

FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS) CH AIMSWAY QUICK TRICKS (IMP AUS)

3 years 7 months, dog of above medium size, strong, very good proportions, masculine expression with dark mask and eyes, very good length of foreleg, very good length and angle of upper arm, very good shoulder, super depth of chest, very good underline, very good loin, super hindquarter with good width to the thigh, croup is well moulded, stands correct in front, hocks are large but straight, a little loose going and coming, when walking presents a very pleasing over line, high wither, firm back, drives well in the hindquarter, a little loose and steps a little high in front however presents a very pleasing picture when gaiting, very good hind thrust, firm back, high wither, reach should be a little longer.

## Baby Puppy Bitch

1: **Heathcote Lightning Star**

Very Promising

ENG & NZ CH PHILIPP AUS DER NEUENHAUFFSTRASSE (IMP GER) HEATHCOTE FAMOUS STAR

3 months, well pigmented female, very strong head very feminine expression, very good bones, super overall proportions, upper arm is a little slightly steep, very good hindquarter, well moulded croup, sound behind, sound coming, for a young puppy she has a super co-ordinated movement with great hind drive and free front reach, absolutely sound coming and going and in fact could show a lot of the older dogs today how to do it.

## Puppy Bitch

1: **Oakway Nortee But Nice**

Very Promising

BROJAN SHOCK WAVE OAKWAT XPERT-TEASE

11 months, large female, of very good overall proportions, alert expressive feminine head, beautiful ear set, great length of foreleg, good length of upper arm but a little steep, very good back, very good loin, shows correct chest development for age, super hindquarter not overdone, croup well moulded and of good length, stands correct in front, hocks are short and straight, sound behind and coming, alert lively spirited walking, very firm and dry, hind thrust transmitted through a firm back with high wither, very good forward reach, when gaiting she maintains an exemplary over line and elegant reach of neck, alert and expressive all the way.

2: **Reichund Reality Bites**

Very Promising

PEPE VON DER ZENTEICHE (IMP GER TO AUS) ALONDRA OF TAIMANA

7 months, medium size female of very good pigmentation, very good overall proportions, slightly darker cheeks, very good length of leg, pasterns should be better angled, strong feet, very good length and angle of upper arm, good back, croup a little short and steep, hair detracts a little, very good hindquarter, stands straight in front, ears a little large but more development to do, large hocks that are not straight, sound behind and in front, sound, firm and dry, when working lacks in co-ordination and similarly when gaiting needs to show more co-ordination.

3: **Westfield Zara**

Very Promising

CH WESTFIELD VENDETTA CH WESTFIELD KATIE

7 months just medium size, female of medium strength, with very feminine head and expression, eye should be darker, very good wither, very good back, underline should be more developed, very good hindquarter, croup a little short and steep, lovely short hocks which are straight, stands straight in front, sound behind and in front, shows a super over line, when walking transmits great power through a very firm back to a high wither with good forward reach, when gaiting she shows a very fluent side gait maintaining a very good over line, beautiful reach of neck and good expression.

- 4: **Arkwyn Cover Girl** Very Promising  
 NINO VON TRONJE (USA) DER INGOLSTA HELOVA-LADY

- 3: **Vonlovatt Boddacious** Very Good Select  
VEGAS VON DONGMIRAN (IMP NETH TO AUS) CH OLDFIELDS KARLY  
1 year 5 months, above medium size female, medium strength, very good feminine head and expression, paling black and gold, medium strength bones with tight feet, very good length and angle of upper arm, very good wither, very good back, excellent croup and hindquarter, very good underline, presents a particularly good picture standing, short strong hocks, stands correct in front, sound behind, straight in front, very good walking female but could have a little more power from the hindquarters, good front reach, excellent side gait with plenty of energy and enthusiasm on the move holding her shape at all times.
  
- 4: **Aktahund All Taken** Very Good  
CH OAKWAY QUIZ MASTER GRAF EDELMANN TAKIN ALL  
1 year 4 months, above medium size, strong female with very good pigment, feminine expression although a little tense, medium strong bone, pasterns could be better angled, good length of upper arm and well angled, good back under chest could be a little more developed, shows good hindquarter, croup a little short and steep, good hocks and straight, stands straight in front, sound behind and in front, walks very well with very good hind thrust through a firm back to high wither and stepping cleanly in front, when gaiting shows enthusiasm and power maintaining a beautiful over line with good hind thrust and free flowing reach.
  
- 5: **Oakway Kudos** Very Good  
BROJAN LUCIFER OAKWAY BASIC INSTINCT  
1 year 8 months, above medium size female with very good strength, feminine head and expression, shows very good bone and good feet, upper arm could be a little bit better angled but of good length, very good wither and straight back, very good croup, good forechest development, good underline, very good hindquarter with a particularly good breadth of thigh, stands on straight hocks but a little large, stands straight in front, little loose behind but sound coming, she walks very well with a firm back, high wither with good power and good front reach, shows a spurred side gait with good over line and free front reach.
  
- 6: **LaRycia Its Meant To Be** Very Good  
VEGAS VON DONGMIRAN (IMP NETH TO AUS) CH LARYCIA ELUSIVE DREAM  
1 year, medium size female, beautiful proportions, feminine alert expression, very good length of foreleg with strong bones, tight feet, well angled pasterns, short steep upper arm, very good back and croup although a little flat, normal chest development, very good hindquarter, short straight strong hocks, stands straight in front, sound behind, a little loose in the left elbow coming, when walking presents a good over line and steps a little short in the hindquarter but powerful with firm back and high wither and good reach, the side gait could be a little bit longer but has good hind thrust, front reach should be a little freer.

- 7: **Khayem Maskenspiel (Imp Aus)** Very Good  
 YESTER VOM FEUERMEHLER (IMP GER) LILLI VOM TROMPETERSPRUNG (IMP GER)  
 1 year 8 months, a tall female, very good strength, strong expression, very good dark mask and eyes, very well set ears, good bones, foreleg should be a little longer, pasterns should be more upright, feet a little tighter, very good wither, very good back, very good underline, super hindquarter, croup is a little short and steep, large hocks but are straight, stands straight in front, a little close away and a little narrow coming, presents a very good picture when walking, she is sound and dry, when gaiting she presents a very good over line with a very good side gait.
- 8: **Booty Call of Taimana** Very Good  
 YESTER VOM FEUERMEHLER (IMP GER TO AUS) AIMSWAY LASS VEGAS (IMP AUS)  
 1 year 10 months, large female presented in very good condition, very strong relaxed expression, beautiful dark eye and mask, very well placed ears, super bones, very tight feet, very good length and angle of upper arm, very good over line, very good back, super underline, excellent croup, very good hindquarter, stands straight in front and behind on short strong hocks, sound behind and straight in front, she steps strongly in the hindquarter, back rolls a little bit but it is straight through to a high wither, steps well in front, when gaiting has good hind thrust with good over line and good co-ordination with free front reach.
- 9: **Sonnenschein Envy Me** Very Good  
 VEGAS VON DONGMIRAN (IMP NETH TO AUS) ACARYA PANDEMONIUM  
 20 months, large female, paling black and gold, pigment could be better, strong expressive head, very good set of ears, good bones and good feet, good reach of neck, good length of upper arm which is short, beautiful back and underline, beautiful croup, very good hindquarter, short and strong hocks, stands straight in front, sound coming and going, presents a very pleasing picture when walking, good power through her back with a little rolling on the wither, good front reach with an enthusiastic side gait with plenty of power, good thrust and good forward reach while maintaining a good over line.
- 10: **Westfield Xiva** Very Good  
 VEGAS VON DONGMIRAN (IMP NETH TO AUS) CH OAKWAY IRRESISTABLE  
 1 year 6 months, above medium size female, super proportions, very well presented, excellent head and expression with dark eyes and mask, good length of upper arm but steep, very good bones and feet and pasterns, back croup is a little short and steep, very good hindquarter, hocks are straight and strong, straight in front, close going, straight coming, she walks well with plenty of power, over line could be a little bit cleaner, good front reach, she has a powerful enthusiastic side gait with good thrust, power in the hindquarter and free front reach, the high tail carrying of her tail detracts.
- 11: **Sundaneka Viva la Vida (Imp Aus)** Very Good  
 USTINOV VOM ROMERLAND (IMP GER TO AUS) SUNDANEKA BONNIE BELL  
 1 year 6 months, large stretched female, very strong head and expressive, beautiful dark eye, very good strength of bones, super front assembly, very good length of upper arm, very good back but loin is a little long, very good under chest, very good length and angle of the croup, very good hindquarter, feet could be tighter, stands straight in front, large hocks but they are straight, sound behind and coming, generally she should move with more power and more dynamically however has good steps in the hindquarter and in front, back is a little soft but shows good side gait, the wither should be retained a little better.
- 12: **LaRycia Its Complicated** Very Good  
 VEGAS VON DONGMIRAN (IMP NETH TO AUS) CH LARYCIA ELUSIVE DREAM  
 1 year, medium size female with feminine head and expression, ears are a little large, good strong bones with good feet and pasterns, upper arm short and steep, very good back, very good length and angle of croup, little short in chest development, good underline, super short strong hocks and they are straight, stand straight in front, a little loose in the right hock, straight in front, walks very well, strong in hindquarter, presents a good over line with high wither, good head and expression, when gaiting she paced however she did show a good over line and firmness and dryness when gaiting.
- 13: **Klausenburg G-Know-Me** Very Good  
 VEGAS VON DONGMIRAN (IMP NETH TO AUS) KLAUSENBURG DAWN-RAIDER  
 1 year 6 months, medium strength female, very good head and expression, very good overall proportions, good strong bone and good feet, well developed forechest, very good over line, super

croup, very good hindquarter with short strong hocks, stands straight in front, sound behind and in front, should be more dynamic when walking and trotting but is absolutely firm and dry throughout, would be better for her to move with more enthusiasm and to show off her very good anatomical virtues to her best.
