CH ZETLAND MANHATTON

Very Good

BROJAN KENTUCKY ROSE

66cm very large, masculine slightly stretched male, strong masculine head with very good expression, the eye could still be a little darker, very good dark masking, good length of neck, high withers, firm back, slightly short, slightly steep croup, the upper arm should still be a little longer and more angled, good fore and slightly short underchest development, very good hind angulation, stands and steps a little wide in front, toeing in, the elbows should be firmer, steps correctly at rear, the hocks should still be firmer, during movement shows a balanced ground covering gait, maintaining a very good wither but the back could remain a little firmer..

### *Open Dog*

1: **Reichund ACDC**

CH REICHUND MEET YA MAKER

Very Good

REICHUND ORR-SOME

65.5 cm very large, strong masculine dog, strong masculine head with well set ears, very good dark masking, good eye colour, good length of neck, high withers, firm back, short steep croup, the upper arm should be a little longer and more angled, very good hind angulation, very good fore and slightly short underchest development, very good strength of bone, stands and steps a little narrow in front, steps narrow at rear, the hocks should be firmer, elbows should be firmer, during movement the dog has difficulty maintaining the correct sequence of steps, he is somewhat elevated in his fore-action and the overall movement should be a little more balanced.

### *Junior Bitch*

1: **Reichund Ohso Devius**

CH ACARYA QUITE A FAKIR

Very Good

GLENNKA YANA

60.5cm very large, strong substantial female, very good colour, overall very good pigmentation, strong but feminine head, very good dark masking, good ear set, the eye could be a little bit darker, very good

length of neck, high withers, firm back, just slightly steep croup of good length, the upper arm should still be a longer and better angled, good fore chest development and the underchest is slightly short, pronounced hind angulation, presented in very good coat, during movement shows balanced ground covering gait, shows a lot of enthusiasm in the ring, steps not quite correct in front, the elbows should be firmer, the hocks should be firmer, she is just a little cowhocked at rear. Bitch presented in just slightly too heavy condition.

- 2: **Heathcote Lightning Jack** Very Promising  
 ENG & NZ CH PHILIPP AUS DER NEUENHAUFSTRASSE (IMP GER) HEATHCOTE FAMOUS STAR  
 5 months, strong well boned sable puppy, masculine head where the eye could be darker, very good ear placement, very good dark masking, good length of neck, normal wither, good fore and hind angulation, croup is a little short and steep, steps just slightly cow hocked at rear, normal in front, displays normal puppy looseness, for his age balanced movement.
- 3: **Aktahund Hi I'm Joey** Very Promising  
 BROJAN SHOCK WAVE AKTAHUND KERFUFFLE  
 4.5 months medium size, masculine puppy, strong masculine head, very good breadth of skull and foreface, eye could still be a little bit darker, very good dark masking, very good ear placement, good withers at this stage, good fore and very good hind angulation, steps correct in front, just a little cow hocked at this stage of his development, shows very good ground covering gait, displays normal puppy looseness.
- 4: **Amberg Xanto (Imp Aus)** Very Promising  
 URY VON ZISAWINKEL (IMP GER) AMBERG LUCY LOO  
 3 months strong masculine puppy with very good head and expression, very good masking and dark eyes, presents a pleasant picture in stance, good fore and hind angulation, steps quite well and quite firmly for a puppy of this age, quite wide in front, shows a balanced gait where he is yet to maintain a correct wither line.
- 5: **Unfehlbar Zorro** Very Promising  
 AKTAHUND TAKE MANHATTON AMBERG YESSICA (IMP AUS)  
 4 months. Slightly overshot at this stage, this may improve with age as his lower jaw develops, masculine puppy, very good eye colour, ears are yet to firm, good withers, slightly stretched in proportions, good fore and hind angulations, croup is a little steep, steps with normal puppy looseness both front and rear, just a little cow hocked, during movement shows a very balanced gait but could carry the wither with more prominence as he ages.

## ***Puppy Dog***

- 1: **Hundmeister Iron Man** Very Promising  
 PEPE VON DER ZENTEICHE (IMP GER TO AUS) CH HUNDMEISTER ALL ABOUT ME  
 10 months, very large, quite dry firm puppy dog, good head, would like to see the skull a little broader, the eye could be a little darker, very good dark masking, strong firm ears, good length of neck, high withers, firm back, slightly steep croup, just good length, the upper arm should be longer and more angled, good fore and slightly short underchest development, very good hind angulation, just slightly upright in the pasterns, steps correctly at rear, straight in front, good overall firmness for his age, during movement shows a balanced ground covering gait that could be overall a little more expansive.
- 2: **Pirol von Gavarol** Very Promising  
 MAC VON DER NORISWAND (IMP GER) ZELDA VON GAVAROL  
 7 months very large, strong substantial puppy, strong masculine head with good breadth of skull and foreface, the expression is spoilt by a somewhat light eye, good dark masking, good ear placement, the neck is just a little short, high withers firm back, slightly short, slightly steep croup, the upper arm should be a little longer and better angled, at this stage of his development he is quite a leggy young dog, very upright in the pasterns, hocks should be a little firmer, steps correct in front, during movement the drive should be more pronounced and at this stage of his development he is just falling on the forehand.

## ***Junior Dog***

- 1: **Boldova of Taimana** Very Good  
 YESTER VOM FEUERMEHLER (IMP GER TO AUS) AIMSWEY LASS VEGAS (IMP AUS)  
 1 year 11 months 66.5cm, very large, very strong, masculine impressive male, very good head with very good dark masking, good eye colour, very good strength of muzzle and foreface, very good ear placement, very good length of neck, high withers, firm back, slightly steep croup of very good length, the upper arm could be just a little longer and more angled, the pasterns are a little soft, very good hind angulation, strong broad thighs, just a little pronounced, very good fore and just slightly short underchest development, stands no quite correct in front, presented in very good coat and condition, steps a little bit close at rear, hocks should be firmer, a little close at front, elbows should be a little

firmer, during movement shows a very good ground covering expansive gait but would like to see the back ligamentation a little bit firmer.

2: **Siegerheims Quincy Jones (Imp Aust)**

HATTO VON HUHNEGRAB (IMP GER)

Very Good

ZANDRAC MYSTERIOUS WAYS

1 year 4 months, 62.5cm absolutely correct medium size male, very good strength for his size, very good head with good breadth of skull and foreface, eye could be still a little darker, good masking, quite broad skull, good ear placement, just good length of neck, high wither, firm back, slightly short, slightly steep croup, upper arm could be still a little bit longer and more angled, just a little upright in his pasterns, very good hind angulation, good fore and slightly short underchest development, steps just a little wide at rear and front, both hocks and elbows could be just a little bit firmer, during movement shows a far reaching ground covering gait.

3: **Sonnenschein Ezy Rider**

VEGAS VON DONGMIRAN (IMP NETH TO AUS)

Very Good

ACARYA PANDEMONIUM

1 year 10 months, 66.5cm very strong masculine dog with a very good head, very good breadth of skull, strong muzzle, very good depth of muzzle, very good ear placement, very good dark eyes, particularly pleasing masculine head, just good length of neck, high withers, slight nick behind, firm back, the croup is a little steep but of good length, upper arm should be a little longer and more angled, very good hind angulation, good fore and slightly short underchest development, steps correctly at rear, correct in front, hocks should still be a little firmer, slight left kink to the tail which is inclined to spoil the impression, during movement could be just a little more expansive but a very balanced gait, the picture is spoilt as he tends to drop the head a little.

4: **Unfehlbar Yago**

CH BRADWINS LORD JESTER

Very Good

AMBERG YESSICA

1 year 6 months, 63.5cm, well above medium size, medium strong, slightly stretched male, expressive masculine head where the eye could still be a little darker, good dark masking, quite good breadth of skull, very good ear set, neck is just a little short, high withers, firm back, slightly short slightly steep croup, the upper arm should be just a little longer and better angled, good fore and slightly short underchest development, very good hind angulation, steps just a little wide both front and rear, both hocks and elbows should be a little firmer, during movement shows very good ground covering gait where he could just maintain slightly higher wither, tends to lower the head a little on the move which spoils the outline.

## ***Intermediate Dog***

1: **Aktahund Take Manhattan**

CH ZETLAND MANHATTON

Very Good

GRAF EDELMANN TAKIN ALL

2 year 7 months 65cm, large, medium strong, slightly stretched male, very good head though the skull could be just slightly broader, very good masking, the eye should be darker, well set ears, good length of neck, high withers, firm back, slightly short slightly steep croup, the upper arm should still be longer and more angled, very good hind angulation, very good fore and slightly short underchest development, steps correct at rear, the hocks should be firmer, correct in front, the elbows should be firmer, the dog should be just a little bit more robust overall, during movement shows a balanced gait maintaining a very firm back and good wither connection.
